

## Exploring Your Student's Dual Enrollment Journey

Dear Parents and Guardians,

At Montgomery County Community College, student success is our top priority and that includes offering opportunities to K-12 students throughout our community. To show our commitment, we have partnered with your high school, to develop Dual Enrollment opportunities for students looking to pursue a college or career track.

Montco's Dual Enrollment program allows students age 15 and older the chance to fulfill high school requirements while earning college credits. Students can take classes at their high school or register for classes taught online or on-campus at Montco.

### DUAL ENROLLMENT HIGHLIGHTS:

- **Transferable credits:** Enroll in online college courses and earn credits that may transfer to a 4-year college or university.
- **Convenient class times:** Classes take place in the evening, on the weekend, over the summer and even during the school day.
- **Flexible formats:** Choose from classes with a set time to meet or the flexibility of non-scheduled class times.
- **Student resources:** Receive access to resources including free 24/7 tutoring, mental health and wellness programs, fitness center, technology assistance, events, clubs, eSports and more.
- **Affordable tuition rates:** Montco has frozen tuition for a fifth year in a row to keep college affordable.

### JOIN US FOR AN INFO SESSION!

Join us virtually on Wednesday, March 2 at 12 p.m. or 6 p.m. for **Exploring Your Student's Dual Enrollment Journey: An Information Session for Parents and Guardians**. Learn about the enrollment process, course selection, cost, credit transfer opportunities and more! Register for the event today at [mc3.edu/DEjourney](https://mc3.edu/DEjourney).

We look forward to continuing our relationship with your high school and its incredible students!

Sincerely,

Tiffany Webber  
Director of High School Programs & Educational Partnerships  
Montgomery County Community College
