

1. Students should go to cmths.schoolology.com
2. Click on "Use Another Account" or "Add Account"

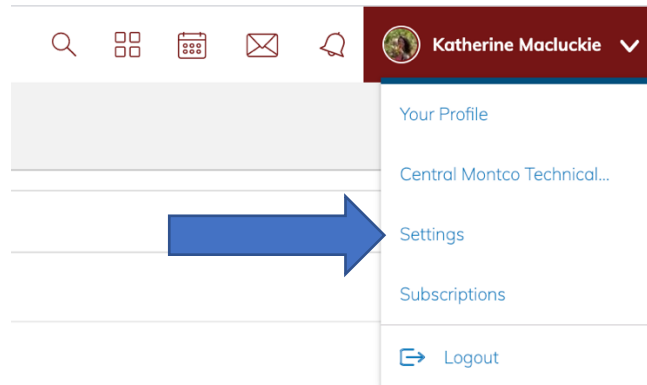

3. Enter in your CMTHS Schoolology account information.

	New Students	Email: <u>homeschoolID@cmths.xyz</u> Password: HawkPass2020 Example: js483726@cmths.xyz
	Returning Students	Email: <u>firstinitiallastname@cmths.xyz</u> Password: HawkPass2020 Example: jsmith@cmths.xyz

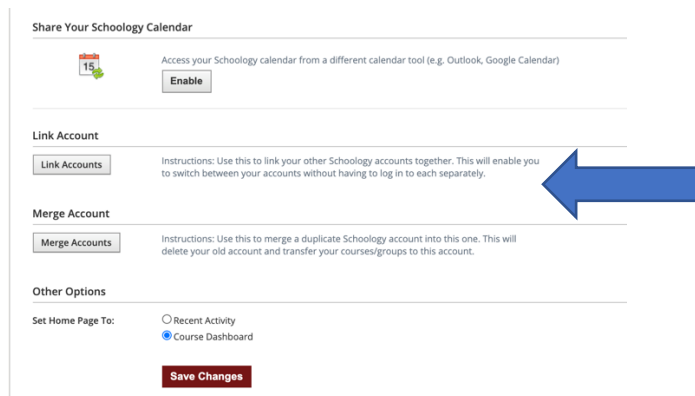

New Student Example Emails:

- Norristown js473689@cmths.xyz
- Upper Merion john.t.smith@cmths.xyz
- PW john.smith@cmths.xyz

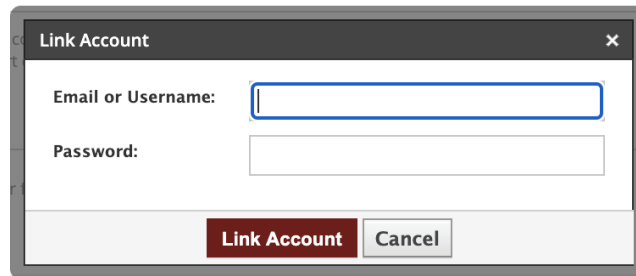

- Students will navigate to the “Courses” tab and see their CMTHS course **automatically** populated.
- Optional Step:** To link your CMTHS account and your home school account, navigate to the settings under your username.

- Navigate to the section towards the bottom labeled “Link Accounts”.

7. Enter in your other Schoology account information in the box.

The image shows a dialog box titled "Link Account" with a close button (X) in the top right corner. Inside the dialog, there are two input fields: "Email or Username:" and "Password:". Below the input fields, there are two buttons: "Link Account" (highlighted in red) and "Cancel".

If students are not able to log-in successfully, contact ITHelp@cmths.org.
