

Cosmetology

Course Content

The basic course requires 1250 hours of study and takes three years to complete where students learn the theory of anatomy of the head, face, hands and feet, chemicals, coloring, sterilization, sanitation and safety precautions in the field. Students are also trained in the art of customer service. Students are trained in specializations such as nail sculpturing, skin care, hair cutting, coloring, styling, permanent waving and ethnic styling. Students may participate in our internship program which consists of spending several days a week in our own salon during school hours. Students can demonstrate skills while working towards their goals for licensing requirements in the state of Pennsylvania.
