CENTRAL MONTCO TECHNICAL HIGH SCHOOL

REQUEST AND AGREEMENT FOR STUDENT ASSISTED WORK

The undersigned requests the assistance of students attending Central Montco Technical High School as described on the reverse side:

The undersigned acknowledges and agrees to the following:

1. Requests for student assisted work are accepted only when it is determined that the work has instructional value.
2. The school shall assign students in numbers and in times as the school determined to be necessary to complete the requested work.
3. The individual requesting the work is responsible for paying for and/or supplying all materials and parts. Any cost must be paid before the item worked on is removed from the school.
4. The parties agree that the time within which work will be performed will be determined by educational criteria, and no specific time has been given to the individual requesting work as to when the work will be initiated or completed.
5. As the school agrees to perform "student assisted work" without cost for labor or supervision, and in order for the school to permit work to be performed on the project included within this agreement, the individual requesting the work, for and in consideration of the undertaking set forth herein, and intending to be legally bound, does hereby remise, release and forever discharge the school, the school's Joint Operating Committee, The Colonial School District, Norristown Area School District, and the Upper Merion Area School District and members of the Board of Directors thereof (all of which School Districts operate the school) and their officers, attorneys and/or school's students and their parents or guardians, of any and all manner of actions and caused of actions, suits, debts, claims and demands whatsoever in law or in equity, which the individual requesting the work ever had, now has, or hereafter may have by reason of any manner, cause or thing at any time whatever, particularly, but without limitation of the foregoing general terms, and any claims arising from or relating in any way to this Agreement for the performance of student assisted work on the project, including the supervision thereof by school employees.

IN WITNESS WHEREOF, the parties intending to be legally bound have hereunto set their hands and seals the _____ day of _____, 20
